### Call for Papers

## 24th Colloquium on Personnel Economics (COPE)

March 16-18, 2022, Aarhus University, Herning Campus

We are pleased to announce that the Colloquium on Personnel Economics (COPE) is now open for your abstract submissions!

The Colloquium on Personnel Economics provides a forum for presenting research in all areas of personnel economics – theoretical, empirical, and experimental. In particular, young scientists have the opportunity to present and discuss their academic works, concepts, and new discoveries among peers and more experienced scholars.

Researchers interested in presenting at the Colloquium are invited to submit an extended abstract (2–4 pages, including title and research question along with a summary of methods and results) of their papers until

**September 30, 2021**

sending the extended abstract (PDF) in an e-mail together with the submitter's name and affiliation to [COPE2022@au.dk](mailto:COPE2022@au.dk). The proposals will then be jointly reviewed by the Standing Scientific Committee and Guest Reviewers. Authors will be informed of their acceptance by December 3, 2021.

In case of acceptance, a full paper has to be provided by **February 21, 2022**, at the latest. Further information will be available on our homepage: <https://personneleconomics.eu/cope2022/index.php>. If you know researchers who might be interested in presenting, please spread the word. In case of any questions, please send an email to [COPE2022@au.dk](mailto:COPE2022@au.dk).

Best regards, also on behalf of our colleagues, Uschi Backes-Gellner, Alex Bryson, Oliver Fabel, and Kerstin Pull.

Yours,
