Call for Papers

25th Colloquium on Personnel Economics (COPE)

March 23-24, 2023, Vrije Universiteit Amsterdam

We are pleased to announce that the Colloquium on Personnel Economics, COPE (formerly POEK), is now open for your abstract submissions!

The Colloquium on Personnel Economics provides a forum for presenting research in all areas of personnel economics – theoretical, empirical, and experimental. Young scientists in particular have the opportunity to present and discuss their academic works, concepts, and new discoveries among peers and more experienced scholars.

Researchers interested in presenting at the Colloquium are invited to submit an extended abstract (2–4 pages, including title and research question along with a summary of methods and results) of their papers until

September 30, 2022

to the following e-mail address: a.baeker@vu.nl. The proposals will then be jointly reviewed by the Standing Scientific Committee and Guest Reviewers. Authors will be informed of their acceptance by December 8, 2022.

In case of acceptance, a full paper has to be provided by **February 22, 2023**, at the latest. Further information will be available on <https://personneleconomics.eu/cope2023/index.php>.

If you know researchers who might be interested in presenting, please spread the word.

Best regards, also on behalf of my colleagues, Uschi Backes-Gellner, Alex Bryson, Oliver Fabel, and Kerstin Pull.

Yours,

Agnes Bäker
